Dear Parents/Guardians,

This Friday is planned as our Travel Action Day. This is one of the steps we have to complete on our journey to a “Green Schools Renewal Flag” on the Travel Theme.

Proposed Actions

1. Our school is a “car free zone for the morning and even for the day as far as practical.
2. Everyone try to make the effort to meet us at the Tintern Complex for group walk to school at 9 a.m. weather permitting. If raining we will defer this to Friday 11th.
3. Funky Feet Competition. Wear unusual footwear/socks things on feet etc. Prizes for participants.
4. Group Art Activity on decorating feet shapes with colours, slogans etc. and Fact Finding Posters.
5. Table Quiz on Travel & Global Warming Theme.

Don't forget to check out our website for loads of photos of the event.

Thanks for your co-operation.

Green School Committee.
